Dear Jason:

On behalf of the South San Francisco Centennial Multicultural Committee, I want to thank you and your organization for your participation and outstanding performance at our "Multicultural Celebration" held at the Municipal Services Building on March 29, 2008.

As you know, the purpose of our event was to celebrate our city's rich, cultural diversity through ethnic cuisine, music and dance. To that end, we are most grateful to you for sharing your valuable time and talent. We continue to receive very favorable comments about your performance; people are still raving!

The diversity of South San Francisco is one of our greatest assets and we hope to sustain that message for generations to come. Again, special thanks to Kawayan Folk Arts for keeping the spirit and tradition of multiculturalism strong in South San Francisco. Please find your stipend enclosed.

Sincerely,

Robert Bernardo
